SPORTS

In a very exciting game of ball
Saturday, the Destroyers A. C.,
went down to defeat before the Rose-
bud A. C., 8 to 4. Graham started
on the hill for the Destroyers, but
after a fierce bombardment in the
sixth inning he was retired in favor
of "Lefty" Stover, who had little
better luck, as they knocked his l-
ivery all over the lot. He didn't
seem to have anything on the ball
but the cover. Sullivan pitched a
good game for the winners. The
batting of Ludlow and Cockrell fea-
tured the game, the latter getting a
home run. Lane, playing at third
base for the Destroyers, was severe-
ly spiked. His absence in the line
up will be felt.

Sunday the Destroyers journeyed
to Benning, D. C., and defeated the
Benning A. C., by the close score of
3 to 2. Graham pitching for the
D's, pitched winning ball until the
fifth inning, when two runs were
scored off two hits and an error.
He retired in favor of Snellings, who
had curves a plenty and they nearly
broke their backs swinging at the
ball. In the seventh inning the
Destroyers got two runs and two
hits and a walk. In the ninth in-
ning they won the game on two
walks and a muffed ball. Lash and
Ludlow on bases and pitcher Snel-
lings knocked a ball to the short-
stop, which would have been an easy
cut, but he seemed to be paralyzed
suddenly for he could not pick the
ball up and Lash came in with the
winning run.

Monday the Destroyers journeyed
to Cherrydale and were defeated by
the Cherrydale team to the score 11
to 5. The game was better than
the score indicated. "Smokeball"
Snellings twirled a winning game of
ball but his team mates did not back
him up. Cockrell made a pretty
shoestring catch which would have
done credit to Ty Cobb. Snellings
fanned ten men, hit two and walked
two. Wood, playing third base for
the D's, sprained his ankle in the
eighth inning. The Destroyers are
now without a dependable third base
man.

Sunday the Destroyers will play
the Warwick A. C. on the High
School grounds. Come out and look
these boys over. Game starts
promptly at 1:30 p. m.

LETTERS OF GRATITUDE

Eloquent language and illustrations
in advertising may appeal to many,
but after all it is the homely, sincere
letters from women overflowing with
heavily gratitude for health restored
by Lydia E. Pinkham's Vegetable
Compound, that convince other suf-
fering women that there is a medicine
that will help them also. Many such
letters are being published in this pa-
per from day to day, and it is to any
woman's advantage who suffers from
female ailments in any form to give
this old fashioned root and herb reme-
dy a trial.

HOW IRON STARVATION OF THE BLOOD RUINS A WOMAN'S HEALTH—

AND MAY MAKE HER WRINKLED, AGED AND CAREWORN, GIVING HER FACE A PALE, HAGGARD, SICKLY APPEARANCE

For want of iron you may practically be an old woman at from 30 to 40, weak, downhearted and "all fagged out." You may be in such a highly nervous irritable state that you "go all at 30 or 40 with good health and plenty of iron in your blood, you may still be young in feeling and so attractive and full of life as to defy detection of your real age.

It is not always the youngest woman that is most sought after—there is an indescribably alluring fascination in the rosy cheek, the smiling lips and sparkling eyes of a blood filled with iron. You may be afflicted with iron starvation of the blood and not know it, just as thousands of other women are.

It is said that about one person in three in America today suffers more or less from malnutrition—lack of nourishment, which is caused not by lack of food, but in many cases, by the strength and nourishment out of your food. Indoor life, over-eating and modern methods of cooking are sapping the iron from the blood of thousands of women. Our forefathers, to whom history refers as a nation of blooded Americans, ate the husks of grains, the skins and seeds of vegetables and other

coarse foods rich in strength giving organic iron, which the modern woman does not get. To make up for the great loss of iron caused by the life woman is compelled to lead she should eat more such iron-containing vegetables and fruits as spinach and baked apples and take organic iron like Nuxated Iron from time to time to help enrich her blood and revitalize her worn-out, exhausted nerves.

Nuxated Iron represents organic iron in such a highly condensed form that one dose of it is estimated to be approximately equivalent (in organic iron content) to eating half a quart of spinach, one quart of green vegetables or half a dozen apples. It's like taking extract of beef instead of eating pounds of meat.

Over 4,000,000 people annually are using Nuxated Iron. It will not injure the teeth nor disturb the stomach. It often increases the bodily and mental vigor, strength and endurance of weak, nervous, "run-down" folks in two weeks' time. Your money will be refunded by the manufacturers if you do not obtain satisfactory results. Beware of substitutes. Nuxated Iron comes in tablets only—never in liquid form. Always look for the word "Nuxated" on every package and the letters N I on every tablet. Sold by all druggists.
